Who is the American Academy of Pediatric Dentistry?

The American Academy of Pediatric Dentistry (AAPD) is the membership organization representing the specialty of pediatric dentistry. Over 10,000 members work in private offices, clinics and hospital settings and serve as primary care providers for millions of infants, children, adolescents and patients with special health care needs. In addition, AAPD members serve as the primary contributors to professional education programs and scholarly works concerning dental care for children.

Pediatric dentistry is one of the nine recognized dental specialties of the American Dental Association. Pediatric dentists complete two to three years of additional specialized training (after the required four years of dental school) to prepare them for treating a wide variety of children’s dental problems. They are also trained and qualified to care for patients with medical, physical or mental disabilities.

Booth Assignment and Priority Point System

Booth assignments are made based on a priority point system. After the initial space draw, booths are assigned on a first-come, first-served basis. Points are earned by longevity of participation at the AAPD Annual Session, the number of booths utilized, and advertising and sponsorship of AAPD functions and programs throughout the year, including the Annual Session. Exhibitor points are cumulative and carried over from one participating year to the next.

AAPD assigns all booth space in a fair and equitable manner using the point system and considers the assignment of space as accepted unless rejected by the Exhibitor in writing within 14 days from the receipt of booth confirmation.

For more information, please contact AAPD Meeting & Exhibits Coordinator Colleen Bingle at cbingle@aapd.org or by calling (312) 337-2169.

Exhibit Rules and Regulations

The rules and regulations listed in this Exhibitor Prospectus are part of the Contract to Exhibit. All matters and questions not covered in the contract to exhibit are subject to the express decisions of the AAPD. The terms of this contract and all other rules and regulations applicable to this Annual Session and exhibitor’s space may be amended at any time by the AAPD, and all amendments so made shall be equally binding on the exhibitor and all other exhibitors affected by them. In the event of any amendment or additions to this contract and/or rules and regulations applicable to the events and the exhibitor’s space, written notice will be given by the AAPD to the exhibitor and all other exhibitors that may be affected by them.
Eligibility Requirements

The exhibit area is open only to exhibitors whose products and services are directly related to and useful in the practice of pediatric or general dentistry or are indirectly related to the practice of pediatric dentistry or general dentistry that are used by, support or are otherwise beneficial to pediatric dentists and general dentists in their practices. Companies must be in good financial standing with the AAPD. Companies and individuals that sell products and services in conflict with AAPD oral health policies and clinical guidelines are not eligible to exhibit. All products and services must comply with all state and local regulations and with all current FDA regulations, if required.

AAPD reserves the right to reject or remove any exhibit or applicant whose products or services are not, in the opinion of the AAPD, compatible with the general character and/or objectives of the Academy. At its discretion and without liability, the AAPD may accept or reject any application for exhibit space; revoke any application prior to the event; or remove, at the exhibitor’s expense, any exhibit booth in its entirety or any displayed items contained in any exhibit booth deemed by the AAPD to be unsuitable for display in the exhibit hall.

Terms of Payment

A deposit (U.S. funds) of 50 percent of the total cost must accompany the Contract for Exhibit Space to guarantee booth space. Any balance due is payable on or before Feb. 1, 2019, to guarantee the booth. If space is contracted after Feb. 1, 2019, payment in full must accompany the contract for space. Exhibit space that is not paid in full within this time frame is subject to reassignment.

Cancellation of Space

Written notice of cancellation of this contract, or reduction of space, must be received by the AAPD by Feb. 1, 2019, for full refund less an administration fee of $500 will be made. If space is cancelled between Feb. 2, 2019, and March 12, 2019, 50 percent of the total booth payment fees will be retained by AAPD. Official notice received after that date negates any refund. Any space not claimed or occupied by 2:00 p.m. on Thursday, May 23, 2019, may be reassigned by the Academy without refund.

In the event that all booth space is sold, the Exhibitor will have the opportunity to be wait-listed, and payment will be processed. Companies will be entitled to a full refund in the event that the wait list does not clear.

Americans with Disabilities Act

Exhibitor shall be responsible for compliance with the Americans with Disabilities Act with regard to their booth space, including but not limited to, wheelchair access.

Exhibitor Service Kit

An Exhibitor Service Kit that contains complete information and order forms for all exhibit services will be sent to participating exhibitors in March from the AAPD Official Service Contractor. Freeman is the official contractor for the AAPD.

Booth Construction

Installation & Dismantling

All crated displays must be set up by the designated time. If not, the AAPD will order them set up, and all applicable charges will be applied to the Exhibitor of record. All booths must be carpeted.

A. The Official Contractor claims jurisdiction over all set-up and dismantling of exhibits including signs and laying of carpet. This does not apply to the unpacking and placement of Exhibitor merchandise. Exhibitors may set up exhibit displays if one person can accomplish the task in less than one-half hour without the use of tools.

If exhibit preparation, installation or dismantling requires more than one-half hour, personnel from the Official Contractor must be used.

B. The Official Contractor claims jurisdiction on the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An Exhibitor may move materials that can be carried by hand, by one person in one trip, without the use of dollies, hand trucks or other mechanical equipment.

C. Exposed unfinished sides and exhibit backgrounds must be draped to present an attractive appearance. The exhibits will be inspected during the set-up time, and the Official Contractor, with the approval of the AAPD, will provide draping as deemed necessary. Any charges incurred will be the responsibility of the Exhibitor.

D. If Exhibitors fail to remove their materials from the Exhibition area in a timely manner, Exhibitors shall indemnify, hold harmless and defend the AAPD from and against any and all fees or expenses that must be paid to the facility as a result of such late removal. Any property remaining in the Exhibition area after the termination of the AAPD Annual Session Exhibition may be disposed of or stored at the Exhibitor’s sole cost, as the Official Contractor or facility deems appropriate.

Outside Contractors

A. Exhibitors may use outside contractors to perform all work desired at the Exhibitor’s booth space. The AAPD assumes no liability for any work performed by such contractors, and Exhibitors shall look solely to such contractors in the event of any injury or damage resulting from work performed by such contractors.

B. All outside installation and dismantling contractors or individuals hired directly by Exhibitors to erect and dismantle exhibits shall provide the AAPD with a valid Certificate of Insurance at least 45 days prior to exhibition opening so permission may be given for said contractor(s) to operate.

Variance Request

IMPORTANT! All requests for booth design or hanging sign variances must be submitted by March 29, 2019. Submit via email including a written explanation of design and variance being requested and a scaled floor plan to include dimensions, clearly identifying the area in which the variance is being requested. No variance will be granted if the variance is not submitted in a timely manner, Exhibitors shall look solely to such contractors in the event of any injury or damage resulting from work performed by such contractors.

The height limit for a 10’ x 10’ booth is nine feet. This height limit will be strictly enforced. No exhibit structure or signage will be permitted that blocks AAPD signage or neighboring exhibits.
